SCHOLARSHIP PROGRAM

Dear Friends, Family, and Sponsors,

On behalf of the Miss New Bedford Scholarship Foundation, we thank you for making this past year another remarkable one. They say there's no place like home, and I couldn't agree more. The City of New Bedford wholeheartedly supports our program and mission of providing scholarships and community involvement opportunities for our titleholders. To our MNB 2025, Ashley Clark, we have watched you grow up through our Teen and Miss programs into an amazing young woman of strength and beauty who has used her voice in support of voting, and teaching the meaning of legacy while empowering our youth. To Bree LeFavor, MNBTeen '25 congratulations on educating our community on Swim Safety and for your fundraising efforts benefiting the YMCA and Sea Lab. We have loved watching you grow this year into an amazing leader. You both have our love and admiration.

To our titleholders' families, Glenda Charest, Julie & Dan LeFavor, and Trudi Clark, we couldn't have done this year without you, nor would we have wanted to! Thank you from the bottom of our heart!

Thank you to everyone who sponsored and supported all of our fundraising efforts. It is because of all of you that we can continue to award our incredible scholarships. To all our forever MNBs, MNBTeens, and their families, you remain the backbone of this organization and this Sisterhood is like no other.

Thank you to the parents and family members of each of our contestants. These young women are remarkable, so cheer loudly and proudly for them. And in celebration of our 15th anniversary of our MNBTeen program we welcome back our Little Sister Program under the direction of Lisa Tenczar, MNB'83. They are our future.

To my board, you each bring so much love, time, and talent to this organization and together we continue this legacy of excellence. I am so proud to be in this position and thank you for encouraging me to delegate. You have my heart and there's nowhere I'd rather be.

With Much Love,
Donna Wirzburger, MNB'81
