SCHOLARSHIP PROGRAM

Dear Friends, Family, and Sponsors,

On behalf of the Miss New Bedford Scholarship Foundation, I'd like to welcome you all here today as we get ready to crown our 73rd Miss New Bedford and 16th Miss New Bedford's Teen. We have many new families joining us and first-time contestants participating this year and for that we are incredibly grateful to you, for choosing our organization to begin your MAO journey.

The continued support we receive from long-standing sponsors, patrons, community partners, and forever Miss New Bedfords and Miss New Bedford's Teens is truly remarkable. The City of New Bedford wholeheartedly supports our program and its mission to provide scholarships and community involvement opportunities for our titleholders. You make our titleholders *feel* like Miss America!

To our MNB 2026, Dolly Mendes, we thank you for the work you have done in the community with your Next Gen Navigators initiative. We know how special this title was for you and you shined in the community in this role. To Addison Kohler, MNBTeen '26, thank you for the work you have done in supporting our pediatric patients here at St. Luke's Hospital and at Boston Children's Hospital. You have worked incredibly hard this year. You made us proud when you placed 2nd RU to Miss Massachusetts' Teen this past June. We wish you both all the best and you are forever a part of our MNB family!

A special thank you to our titleholders' families, Maria Mendes and Greg & Tara Kohler for all you have done this year for our organization and for your daughters' success. We couldn't have done this year without you, nor would we have wanted to!

To the parents and family members of each of our contestants, these young women are remarkable and have been an absolute joy to work with. Cheer loudly and proudly for them. Thank you to all our Little Sister families for joining us this year and for taking the first step into learning all about Miss America. We know they will be absolutely adorable on stage!

And finally, to my amazing MNB board, you have my utmost respect, love, and admiration for all you do throughout the year to make this program a shining example of what is possible when we all work together toward a common goal.

With Peace & Love
Donna Wirzburger, MNB'81
